Good afternoon,

This notice is a requirement of Connecticut State Law, Public Act 16-189. On Wednesday, April 24, 2018, Berlin Public Schools entered into an agreement with Scientific Learning Corporation, Inc. This company provides the Fast ForWord Language software for reading intervention and instruction purposes. If utilized with your student the Scientific Learning Corporation software platform will contain the following Personally Identifiable Information(PII) about your son or daughter:

- First Name, Last Name, Date of Birth, Student Username, Student Password, Grade, Gender, English Language Learner (yes or no), Special Education (yes or no) & School
- Further information can be found on the company's web site:
 - <https://www.scilearn.com/legal>

This data resides on servers maintained by the Scientific Learning Corporation, Inc and is encrypted in transit using SSL technology. Please be assured that Berlin treats the privacy of your student's data with the utmost seriousness and ensures compliance of all of our educational technology partners with state and federal laws as well as general best practices. If you have any questions about the contract with Scientific Learning Corporation or the use of this software, please do not hesitate to contact me at cszymanski@berlinschools.org or (860) 828-6577 x4186. Additional information about the district's policies or federal and state laws that concern data privacy can be found on our website:
