**Re: McGee Middle School – YMCA Daycare  
899 Norton Road, Berlin, Connecticut**

To Whom It May Concern:

This is a notification of asbestos abatement activities to take place in the Berlin School District, to perform the set-up of containment and removal of asbestos containing material located in the school referenced above. The materials are located in Rooms 215-216 and 219-221. The material is currently classified as a proven asbestos containing material that is not friable.

The School will perform these renovations over the summer break. The project is expected to start on July 13<sup>th</sup> and continue through until July 29<sup>nd</sup>.

**During this time, no children 18 years or younger are allowed in the building.  
All doors will be posted.**

Our local contact for this work is Doug Solek, Facility Director, at phone 860-250-2308 and the project will be monitored by Mystic Air Quality Consultants.

Sincerely,

Jeffrey P. Cugno  
Director of Operations
