

## Interactive Math Websites And Apps

### Summer Practice

### Incoming Grade 1

#### Websites:

- [gregtangmath.com/summer](http://gregtangmath.com/summer)
  - This is a great site for summer math practice! You can download and print a math challenge game board for your child to complete over the summer, using the online games and books at GregTangMath.com. Students who complete the challenge can be entered into a prize drawing on the site by their parent.
- <http://www.fun4thebrain.com>
  - This site includes a wide range of games for practicing math facts (addition, subtraction, multiplication and division).
- [www.uen.org/k-2interactives/math.shtml](http://www.uen.org/k-2interactives/math.shtml)
  - This site includes a wide variety of games and activities related to tangram puzzles, patterns, sorting, adding, subtracting, geometry and place value.
- [www.sheppardsoftware.com](http://www.sheppardsoftware.com)
  - When entering the site, click on “Math” at the top. Then, select an area of focus, such as “Early Math” or “Basic Operations” in order to see a specific set of games and activities related to counting, ordering, comparing, adding and subtracting, etc.
- <http://bedtimemath.org>
  - Go to “For Families” for some daily activities that include a story and math questions for all ages.

#### Apps:

- Line ‘em Up (Focus: sequencing numbers on a number line)
- Splash Math (This has grade-level specific apps to select from)
- 10 Frame Fill (Focus: Working on a 10 frame with numbers to 10)

**\*\*Disclaimer: Some websites and apps may have advertisements. Please be sure to monitor your child when completing activities.**
