

**Interactive Math Websites And Apps  
For Summer Practice  
Incoming Grades 4 and 5**

*Websites:*

- [gregtangmath.com/summer](http://gregtangmath.com/summer)
  - This is a great site for summer math practice! You can download and print a math challenge game board for your child to complete over the summer, using the online games and books at GregTangMath.com. Students who complete the challenge can be entered into a prize drawing on the site by their parent.
- <http://www.fun4thebrain.com>
  - This site includes a wide range of games for practicing math facts (addition, subtraction, multiplication and division).
- [www.uen.org/3-6interactives/math.shtml](http://www.uen.org/3-6interactives/math.shtml)
  - This site includes a wide variety of games and activities related to tangram puzzles, patterns, sorting, adding, subtracting, geometry and place value.
- [www.sheppardsoftware.com](http://www.sheppardsoftware.com)
  - When entering the site, click on “Math” at the top. Then, select an area of focus in order to see a specific set of games and activities.
- <http://www.coolmath4kids.com>
  - This site includes great games for a variety of math topics. It is good for the development of logical reasoning skills and strategic thinking, as well as practicing math facts.
- [www.hoodamath.com](http://www.hoodamath.com)
  - This site includes a variety of games and activities related to the four operations – addition, subtraction, multiplication and division.
- <http://xtramath.org>
  - This site provides personalized fact fluency practice. It can be accessed on the computer as well as on the iPad. Students already have accounts for the XtraMath site from this past school year.
- <https://www.ixl.com>
  - This site provides grade-level specific questions related to multiple math topics. There is also an app for the iPad, Android and Kindle.

*Apps:*

- Chicken Coop Fractions (Variety of activities for fraction practice)
- Thinking Blocks Multiplication (Problem solving with multiplication/division)
- Number Bond Blasters (Practice math facts with number bonds for addition/subtraction and multiplication/division)

**\*\*Disclaimer: Some websites and apps may have advertisements. Please be sure to monitor your child when completing activities.**
