

Connecticut Student Data Privacy Pledge

As an authorized representative of my company or organization, which has developed one or more Web sites, online services, or mobile applications for school purposes, I hereby attest that we commit to this Connecticut Student Data Privacy Pledge.

In doing so, I acknowledge that we have fully reviewed and comply with all applicable aspects of the state's student data privacy law, as defined in Connecticut General Statutes §§ 10-234aa through 10-234dd. We address and comply with the law's requirements through one or more standard contract vehicles (e.g., terms of service, data-processing agreement, etc.) that we enter into with each of our Connecticut public school customers.
